Exciting news!

We are so proud of Henry in Year 3 who has been involved in recent filming for the 'Dumping Ground' series on CBBC which will air on Friday 17th January on CBBC. Henry's character 'Vinny' appears from episode 7.

Reading Plus (Year 5)

The children in Year 5 have been accessing Reading Plus as a trial for the Family Fischer trust this year. Feedback is showing that the children have been actively engaging in their reading at home, and we would like to thank both parents and children for their support.

Reception and Year 3 places

The Local Authority have asked us to inform parents that the deadline for applications for Reception a Year 3 has been extended due to IT issues at the town hall. The new deadline is today, 17th January at Midnight.

School Educational Visits

Please see below the list of the trips for the remainder of the year in both schools. Please note that the Year 2 trip has been subsidised by **Friends of Oakfield** to the same amount as the other year groups received in Autumn term. We have worked to enable all parents to know the trips for the rest of the year so to help families budget and plan. This was after feedback saying that families sometimes felt that trip requests were sometimes too last minute. We hope this will help with planning for the remainder of the year. Next academic year, all trips will be published in the first 2 weeks of the year and all payment systems open so parents can pay for all visits spaced out across the year.

Year Group	Date	Venue	Cost

Safeguarding

Among children – and especially teenagers – TikTok boasts approximately 220 million users, providing a near-endless reel of short clips intended to entertain, educate and more. However, along with its enormous userbase comes a considerable number of possible risks: Ofcom have dubbed it the most likely app on which teen users would potentially suffer harm.

With the platform reaching astronomical levels of success among the younger generation, it is vitally important for parents and educators to understand the risks it poses. This free guide lets you know about the most prominent potential dangers associated with TikTok and offers expert advice on how to safeguard youngsters who are navigating the site.
